

- 1. insulating glass
- 2. structural sealant support frame
- 3. clamp
- 4. structural silicone sealant DC 993
- 5. structural silicone sealant DC 3362
- 6. structural glazing spacer Thermalbond V 2100
- 7. gasket
- 8. substructure
- 9. mechanical self-weight support
- 10. standard-setting block of polypropylene
- 11. bolt
- 12. weather sealing
- 13. backer rod (PE)
- 14. butyl strip

Glas Marte SG	Annex 1
Definition of the system
